Product Description

Ariens RIDGELINE™ Series 48" Stand-On Zero Turn Mower

We've put a new spin on residential mowing with the all-new RIDGELINE™ stand-on zero-turn mower. It's powerful, comfortable, and reliable. Its stand-on design lets you easily hop on and off to make quick work of obstacles without slowing you down and keeps you confident on slopes. You'll mow smoother, faster, and easier, all while standing tall with better visibility.

Improved line of sight

Standing on the RIDGELINE's platform allows for a better vantage point to mow along edges and around obstacles.

Compact design, big performance

The RIDGELINE's unique space-saving design makes it easy to store in a garage or shed, without sacrificing power and performance.
