Product Description

PURE P40 Golf Cart

Elevate your lifestyle with the PURE EV P40 golf cart, a street-legal ride with smart and savvy features that add comfort and convenience to every journey. The world is embracing sustainable transportation options, and PURE EV is poised to be an industry leader. Zip around your local communities, enjoy nearby amenities, and socialize with neighbors along the way. The PURE EV P40 is eco-friendly with its quiet ride... BUT, when you're ready to turn up the tunes and get the party started, there is no shortage of boom with the 28" EcoXGear sound bar! Get ready for PURE fun in your PURE EV P40 golf cart!
